

Triptych print competition rules.

- Each triptych will consist of 3 distinct and different, complementary images printed on one piece of paper.
- The background must be plain without any other image, texture or text. A plain colour is permitted.
- Advanced group members will be expected to mount their work; this is not essential for members of the General group. Mounts must not exceed 500mm x 400mm.
- Each member may submit a maximum of 3 triptychs.
- Images previously shown in an Open competition may be included in a Triptych. Re-use of placed images is permitted.
- Images included in a Triptych may take part in a later Open competition.
- Images included in a Triptych may not have been used in any previous Triptych competitions.
- Images included in a Triptych may not be used in any subsequent Triptych competitions.

Extra notes:-

- Borders, drop shadows and strokes are permitted around each image.
